LEAD ALBUM FOR THE RECORD

SUBJECT: Supergrade Positions for the Operations Coordinating Board.

1. On 24 November 1953 I discussed the above subject with [REDACTED], Executive Officer, Operations Coordinating Board, reviewing with him our understanding that his present table of organization provided for five supergrade positions and our informal agreement with the Bureau of the Budget to the effect that CIA might furnish not to exceed six supergrade positions. [REDACTED] indicated that some changes in the present organization of the Board might be made and that he would, therefore, like to continue the arrangement wherein the Board could have six supergrade positions. We agreed that the five positions now included in his table of organization were currently being used as follows:

NTL 2. [REDACTED] requested that the promotion of [REDACTED] to grade GS-16 be approved and I assured him that we would process it without further delay. I also agreed that [REDACTED] could be slotted against the position provided for the Chief, Special Staff, in order to correct our records.
